MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT:

U.S. Wholesale and Retail Price Indexes.

- 1. Attached hereto is the summary of changes in retail and wholesale clothing prices in the U.S. for the period 1935 and Dec 1954 to Apr 1956.
- 2. The Bureau of Labor Statistics uses the average prices for the years 1947-1949 as the base. You will note that both wholesale and retail prices are now about two times the 1935 level.
